

## **Shared Leadership. Stronger Communities: Lanark Community Alliance Seeks New Board Members**

**May 6, 2025 (Almonte, ON)** — The Lanark Community Alliance (LCA) is calling on community-minded leaders to help shape a more inclusive and connected Lanark County. Through a shared board of directors, LCA provides strategic guidance to three vital local non-profits—and is now seeking new board members to join in advancing its mission.

“At LCA, leadership isn’t about titles—it’s about people,” says Lorne Heslop, Chair of the LCA Board. “We’re building a board that reflects the diversity of our communities, champions inclusion, and believes deeply in the value of every individual.”

### **One Alliance. Three Agencies. One Purpose.**

The Lanark Community Alliance brings together the governance of three essential agencies under one shared board:

- **Community Living Association Lanark (CLA)** – Empowering individuals with different developmental related abilities to live meaningful lives in their communities with dignity and respect.
- **Carebridge Community Support (CCS)** – Supporting seniors, adults with varying developmental abilities, and those in need of affordable housing through person-centered services and programs.
- **Clayton Seniors Housing Corp (CSHC)** – Providing safe, affordable housing for local seniors.

Together, these organizations serve thousands of people each year, rooted in a shared commitment to equity, connection, and care.

### **Board Members Make a Difference**

Board members play a key role in setting direction, ensuring financial stewardship, and upholding inclusive values. Whether you’re an experienced professional, a passionate community advocate, or someone with lived experience to share, your perspective is needed at the table.

**Time Commitment:** 5-10 hours per month, including meetings.

**Term:** 3 years, with the possibility of renewal.

## Be Part of the Change

If you believe in inclusion.

If you care about strengthening communities and supporting those often overlooked.

If you want to help shape the future of local services—this is your opportunity.
